Write the following questions and answers in your s.st copy ( if you have) or in your rough copy

**Q1- How does it help to write the PIN code in the address on a letter?**

**Ans- Every big post office in our country has its own six- digit PIN code. When we write the PIN code, it becomes easy for the people at our post office to send the letter to the right post office.**

**Q2- What does a fax machine do?**

**Ans-A fax machine copies messages and even pictures, and sends them along telephone lines. The fax machine at the other end of the line prints these out.**

**Q3- What do you mean by mass communication?**

**Name some means of mass communication.**

**Ans- Sending a message to a large number of people is called mass communication. Newspaper, radio and television are some means of mass communication.**

**Q4- Name the following**

**1- Letting someone know what you think, feel or know is - communicating**

**2- When we want a letter to reach someone very quickly, we can send it by - speed post, courier.**

**3 - Phones that are connected to wires are- landline phones**

**4-Phones that we can take anywhere and can be used to send SMS- cellphones or mobile phones**

**5- Two things we use to make video calls- computer and smartphone**

**5- During storms and floods, important messages are sent out through- the radio and television**
