◆ More to Do ◆

Write the name of the national day below each picture.

Grandhi  
Jayanti

Republic  
Day

Independence  
Day

Activity

Many people fly kites on Independence Day. You can make mini kites and hang them up on a string in your class or home. To make a kite, cut white paper in the shape of a diamond. Cut out triangles from orange and green paper. Paste an orange triangle at one end and a green triangle at the other end of the diamond, as shown. Make a tail with a small orange triangle.
